1. Our phase for the development of the Agency Strategic Plan has arrived. The Executive Director's staff plans to assemble the contributions from each of the Directorates and to prepare a brief, issue-filled document with near-term action items. The document will refer to last year's Strategic Plan (BYE-020-83), but will not repeat each of the topics.

2. There are a number of issues which will be addressed. These include:

Personnel  
Information Handling  
Space  
Emergency Planning and Crisis Management  
Terrorism

3. Please have your office representative review the contributions, which are attached, from the DO, DI, and DS&T, and prepare a brief response which describes your strategy for supporting their proposed capabilities. If you identify near-term initiatives which are appropriate, please include a write-up.
